1.11. Payment.

- (i) Unless Sanitas in its sole discretion elects to extend different payment terms, Customer shall pay the invoiced amounts for the Products (and any associated freight, shipping and handling) by credit card processed at the time of shipping. If any credit card charge is not paid or honored for any reason whatsoever, Customer shall be deemed to be in default under this Agreement and payment shall be deemed past due from the date of the underlying invoice and, in addition to any remedies to which Sanitas may otherwise have, Sanitas may hold any then pending shipment to Customer.

If payment is not received by such agreed to date, a late payment one and one half percent (1.5%) per month or the maximum amount permitted by law, whichever is less, of the unpaid balance shall be paid by Customer. Acceptance of any partial payment shall not constitute a waiver of Sanitas’ right to payment in full of all amounts owing from Customer. Sanitas shall retain a purchase money security interest in all goods sold to Customer until the full purchase price therefore and any late payment charges have been paid.

1.12. Taxes. All payments required by this Agreement are exclusive of federal, state, local and foreign taxes, duties, tariffs, levies, withholdings and similar assessments (including without limitation, sales taxes, use taxes and value added taxes), and Customer agrees to bear and be responsible for the payment of all such charges, excluding taxes based upon Sanitas’ net income. All amounts payable by Customer hereunder, including all Product payments, shall be grossed-up for any withholding taxes imposed by any foreign government on Customer’s payment of such amounts to Sanitas.

1.13. Establishment of Customer Account. Sanitas, at its sole discretion, may require Customer to establish an Account which may include Customer’s creation of a username or password and submission of information or materials about Customer (“Customer Information”). Sanitas is not liable for any loss that Customer may suffer as a result of the authorized or unauthorized use of an Account password by a third party. Sanitas may disable any username, password or other identifier, whether chosen by Customer or Sanitas, at any time in its sole discretion for any or no reason, including if in the sole opinion of Sanitas that Customer has violated any provision of this Agreement or other applicable terms of the purchase and sale of Products. Customer will immediately notify Sanitas of any unauthorized use of Customer's password, any unauthorized use of Customer's Account, any violation of this Agreement, or any other breach of security known to Customer in connection with Customer's Account or Products.

1.15. Customer Information. Customer will at all times provide only true, current, complete and accurate information, and will not misrepresent its identity. Customer will keep the Customer Information current and provide any necessary updates to the Customer Information to keep it current at all times. Customer Information may include information or materials that may be of confidential nature or that can personally identify Customer, such as information regarding Products Customer has purchased or financial information. Sanitas collection, use and disclosure of Customer Information are governed by this Agreement and the terms of any Privacy Policy Sanitas may maintain from time to time.

SANITAS MAKES NO WARRANTY OR REPRESENTATION REGARDING THE CONFIDENTIALITY OF ANY COMMUNICATION OR INFORMATION TRANSMITTED ON OR THROUGH AN ACCOUNT. SANITAS WILL NOT BE RESPONSIBLE OR LIABLE IN ANY WAY FOR ANY INJURY, LOSS OR DAMAGE TO CUSTOMER COMPUTERS, MOBILE PHONES OR OTHER DEVICES, OR INTERCEPTION OR USE OF CREDIT CARD INFORMATION OR OTHER PERSONALLY IDENTIFIABLE INFORMATION, RELATED TO OR RESULTING FROM USE OF AN ACCOUNT.

1.16. Cancellation of Orders and Account Termination.

- (i) Sanitas may, in its sole and absolute discretion, cancel an order placed by Customer if it discontinues sale of Products or may reduce or allocate inventory of Products, or if it determines to terminate an Account as provided herein. - (ii) Customer may terminate an Account at any time for any reason by giving Sanitas ten (10) days' notice in writing, by email at orders@sanitas-skincare.com or by calling Sanitas Customer Service at 303-449-1875 or 888-855-8425. Sanitas may terminate an Account or any Order (i) at any

time for any reason (ii) immediately without notice to Customer if Sanitas determines, in its sole and absolute discretion: (A) that Customer's financial condition or creditworthiness is inadequate or unsatisfactory to perform under this Agreement; (B) that Customer is in violation of its payment obligations under or are otherwise in breach of this Agreement; (C) that Customer has not ordered a minimum of \$250.00 within a six (6) month period; (D) upon Customer's death or incapacity, or if Customer is an entity, upon its ceasing of operations, dissolution, liquidation or suspension; or (E) that Customer, or any circumstances relating to Customer, can adversely affect Products, or Sanitas' reputation or business. Notwithstanding termination of an Account, all Customer obligations under this Agreement that, by their nature, should reasonably be expected to survive termination of this Agreement and termination of an Account, will survive termination of this Agreement and the Account. On termination of the Account, if requested by Sanitas in writing, Customer will immediately cease offering, marketing and applying Products to Consumers, clients or patients. Sanitas may include such a request in a notice of termination, or in a written notice issued subsequent.

2. PRODUCT USE AND RESALE POLICIES

2.1. Use of Products. Only designated retail Sanitas Products may be sold. Professional products and samples, as well as any product not marked for resale are not intended for resale and may not be resold. All Products and promotional materials are to be used solely by the authorized Customer Account or the individual named and addressed on the invoice/sales receipt/Account. At no time may any materials or Products be resold, redirected or transferred to another entity or location not identified as an authorized entity or location under the authorized Account name without written consent from Sanitas. Products shall at all times be used by Customers and Consumers only in accordance with Product information or dispensing information included with each Product and no Product shall be used in any manner other than for external topical use in accordance with directions and no Product shall be used in any other manner including, but not limited to, any injection, inhalation, swallowing or other ingestion of Products unless explicitly indicated on the packaging of such Product. Customer agrees that Products may be used only: (i) for application on Customer's clients or patients as a service at its place of business as identified by the Account; (ii) if Customer is a skincare professional, aesthetician, registered nurse, physician, physician assistant or other professional with a certification from a relevant state professional and regulatory authority that allows Customer, by virtue of such certification, to apply Products on clients or patients as a service; (iii) after Customer has reviewed and understands the functions, benefits, and recommended use of all Products as described in the relevant treatment protocols and educational materials; and (iv) in a lawful manner and otherwise in accordance with this Agreement.

2.2. Compliance with Customer Sales Policies. Customer agrees to be in full compliance at all times with all Professional Customer Products Sales Agreement Policies that Sanitas may from time to time implement and post on its website at www.sanitas-skincare.com ("Professional Customer Products Sales Agreement"). Customer shall be responsible for checking for any updated Customer Sales Policies posted at the foregoing website location and

Sanitas shall not be required to give written notice of any changes, modifications or additions to any Customer Sales Policies adopted by it. Any such Customer Sales Policies shall be deemed incorporated into this Agreement by this reference. In addition to the foregoing, Customers that engage in any of the following sales or advertising tactics will be deemed unauthorized and will not receive future shipments of Products:

- (i) Advertising Products in a manner that is inconsistent with the Sanitas brand, in a manner not approved by Sanitas, or making any representations as to Products that extend beyond what is represented by Sanitas;
- (ii) Diverting Products or reselling Products to purchasers for resale or intended diversion with the intent of resale;
- (iii) For international accounts: selling Products for export outside of the territories outlined in the Sanitas contract, either directly or indirectly, without prior written authorization from Sanitas;
- (iv) Discounting as a sales practice; however, Sanitas may allow limited promotions involving discounts provided the Account makes advanced arrangements with management representative at Sanitas and outlines terms and length of said discounting period and gains approval of Sanitas;
- (v) Failing to respond promptly to customer complaints or requests for returns or refunds; or
- (vi) Failing to comply with Sanitas payment terms.

2.3. Anti-Diversion. In order to assure the promotion of Products and high quality service to Customers and Consumer and to further protect against the dilution and contamination of the Sanitas Products and brands, it is the policy of Sanitas that all sales and/or distribution of Sanitas products not expressly permitted by this Agreement or the Customer Sales Policies are considered diversion (“Diversion”). With each order of Products, Customer represents that the Products being ordered are for professional spa, dermatological or medical services and sale to their informed end-users only. Distribution or sale of Products through other channels (including, without limitation, by mail or phone order, catalog, telephone solicitation, television, or radio, or through the world wide web (the “Internet”) or any other electronic medium) is strictly prohibited without the prior written consent of Sanitas. Furthermore, all authorized accounts acknowledge and agree to abide by the following:

- (i) Customer will not sell Products to any diverter, distributor, redistributor, wholesaler or end-user that will or may likely engage in further distribution or sale of Products and will use its best efforts to prevent said parties from doing so.
- (ii) Customer agrees not to sell in bulk and agrees not to sell any end-user more than six (6) pieces of any single SKU of Sanitas product in a single sales transaction in a single day.

- (iii) Customer agrees not to remove, obliterate, hide, mask, alter or otherwise tamper with any batch codes, tracking codes, serial numbers, labels, lot numbers, expiration dates or any other codes located on the Product.
- (iv) Customer will not distribute or sell products in bulk or resale Product to any other business, wholesaler, or distributor.
- (v) Customer will not offer for sale, sell or distribute any backbar, tester or sample Products or Products associated with spa, dermatological or medical services or any products specifically identified or labeled as, or intended for, “Professional Use Only” or “Not Intended for Individual Sale” or “Not for Resale”.

2.4. Sanitas Pricing Policy. Customer is free at all times to set the price at which it sells Products to Consumers. If a Sanitas reseller, such as Customer chooses to price Products differently than at the suggested prevailing retail price as set by Sanitas from time to time, it is Sanitas’ policy to discontinue sales of Products to that reseller, including Customer. Customer may at any time request the suggested prevailing retail price list for all Products by calling Sanitas’ Customer Service Department at 303-449-1875 or 888-855-8425. This paragraph is intended to inform Customer of the Sanitas pricing policy. It does not constitute consideration for any part of this Agreement, and does not separately constitute an agreement between Customer and Sanitas regarding the price Customer will charge Consumers for Products.

2.5. Internet Sales Policy. Sanitas is committed to establishing its Products as leaders in the market. This leadership involves establishing an Internet sales policy that protects Consumers from potential counterfeit and illegally acquired Products. To facilitate achievement of these goals, Sanitas has adopted an Internet Sales Policy designed to support legitimate, authorized business accounts and to establish a process to identify and register authorized accounts and websites associated with those authorized accounts. Sanitas prohibits the promotion or sale of Products on any Internet site unless the business rules are strictly adhered, including, but not limited to, receiving written approval to sell Products through the internet. As part of this sales policy, which may be supplemented, modified or superseded by any Customer Sales Policies, Sanitas:

- (i) Requires Customers to sell Products only under the Account name registered with Sanitas (including any tradenames or business affiliates associated with Customer that are registered with Sanitas as being directly associated with Customer). No Product sales under fictitious or unidentifiable Account names or names not easily recognizable by Sanitas as the Customer will be allowed.
- (ii) Does not approve sales via any third party website (such as eBay, Yahoo, Biz Rate or Amazon) and does not allow affiliate marketing and third party diversionary selling. Any Customer found to be engaging in such attempted sales tactics will be in breach of this provision. Products sold through these sites are considered “unauthorized” and Sanitas strongly

discourages purchase from these sites and cannot guarantee the quality or authenticity of these products.

- (iii) Limits the approval to sell Products via the Internet to a limited, non-exclusive and temporary use that may be revoked, revised, or limited by Sanitas at any time, without prior notice, and for any reason, in its sole and absolute discretion, including, but not limited to, Customer's violation of the terms and conditions of the Internet Sales Policy.
- (iv) Does not allow Customer to advertise or use words on its website such as "authorized dealer" or "authorized representative" of Sanitas Products without prior approval from Sanitas. Customer is not allowed to and must never represent itself as Sanitas or an "exclusive retailer" of Sanitas products, but rather must make it clearly known that they are a retailer of Products.
- (v) Discourages discounting as a sales practice; however, Sanitas may allow limited promotions involving discounts provided the Account makes advanced arrangements with management representative at Sanitas and outlines terms and length of said discounting period and gains approval of Sanitas.
- (vi) By international accounts, prohibits Internet sales of any Product outside of the territories outlined in their contract, either directly or indirectly, without prior written authorization from Sanitas.
- (vii) Requires completion of the Internet Sales Authorization form in order to register Customer's site and gain authorization to advertise, sell or otherwise promote Products on the Internet.

It is Sanitas' firm position that each of the sales or advertising tactics outlined above are likely to damage the investment that Sanitas has made in offering high quality products to Consumers. This list is not exhaustive, and Sanitas reserves the right to exercise independent discretion in regard to which Customers are authorized to buy and sell Products.

2.6. Remedies. Sanitas reserves the right to fully investigate all suspected violations of the policies included in this Section 2 and any Customer Sales Policies. Sanitas reserves the right to refuse to sell Products to any party determined by Sanitas to have violated these policies and to take such further action, such as the commencement of a lawsuit, as Sanitas deems necessary and appropriate for the applicable violation. Without limiting any other rights or remedies available at law or equity, Sanitas, at its sole discretion, may immediately terminate this Agreement if Sanitas believes in its sole discretion that Customer has violated any of the restrictions set forth in this Section 2. In addition, where appropriate, Sanitas may elect to charge Customer \$100 per piece (unit) for each Product traceable back to the Customer that is in violation of this Section 2. The parties acknowledge and agree that the foregoing is intended to provide for liquidated damages, and not a penalty for applicable violations. Moreover, the parties agree that the liquidated damages called for in this Section are reasonable in light of the harm

that will be caused by Customer's breach of the policies provided in this Section, the difficulties of proof of loss and the inconvenience and non-feasibility of otherwise obtaining an adequate remedy. The remedies set forth in this Section are not exclusive of other remedies set forth in this Agreement or provided at law or equity.

3. PROPRIETARY RIGHTS AND CONFIDENTIALITY

3.1. Intellectual Property Rights in Products. All intellectual property rights (including but not limited to patent, trade secrets, copyright, or trademark rights) in and to the Products, formulations used in a Product or developed during the development of a product (such formulation, "Product Formulations"), all content included in any Sanitas website, educational or training material, marketing collateral, order forms and documents and/or any other written, electronic or photographic materials provided by Sanitas, including but not limited to text, graphics or code (such collective intellectual property rights, "Intellectual Property Rights") shall remain the exclusive property of Sanitas. This Agreement shall not be deemed or construed to convey or transfer any Intellectual Property Rights to Customer. Customer will not directly or indirectly copy, reverse engineer or otherwise seek to discover or derive the Product Formulations from the Products, nor request or assist any third person to do so. Any goodwill derived from the use by Customer of Products or Sanitas' Intellectual Property Rights inures to Sanitas' sole and exclusive benefit. If Customer shall acquire any Intellectual Property Rights in or relating to any Product (including any rights in any trademarks, derivative works or patent improvements relating to Products), by operation of law, or otherwise, such rights are deemed and are hereby irrevocably assigned to Sanitas, without further action by any party.

3.2. Trademark and Copyright. "Sanitas Skincare" is a registered trademark of Sanitas. The Customer shall have no right to use this or any other trademark or trade dress of Sanitas, registered or otherwise (collectively, the "Sanitas Trademarks"), or any images of the Products that include the Sanitas Trademarks (including but not limited to packaging, promotional materials, images, concepts, logos or names) in any manner (including in advertisements and promotional materials and on the Internet or any other electronic medium) except as specifically authorized by Sanitas in writing in advance. This Agreement does not create any license in favor of the Customer. Any permitted use of the Sanitas Trademarks shall be strictly in the manner prescribed by Sanitas in writing and shall include all required legal notices and shall be discontinued upon notice by Sanitas.

3.3. Restrictions on Use of Sanitas Intellectual Property Rights. In connection with any use by Customer of any Sanitas Intellectual Property Rights, which use shall be solely for the purposes of Customer performing its obligations under this Agreement, Customer shall not:

- (i) take any action that may interfere with any of the rights in or to the Intellectual Property Rights;
- (ii) challenge any right, title or interest in or to the Intellectual Property Rights;
- (iii) make any claim or take any action adverse to Sanitas' ownership of its Intellectual Property Rights;

- (iv) register or apply for registrations, anywhere in the world, for Sanitas trademarks or any other trademark that is similar to its trademarks or that incorporates Sanitas' trademarks in whole or in confusingly similar part;
- (v) use any mark, anywhere, that is confusingly similar to Sanitas' trademarks;
- (vi) engage in any action that tends to disparage, dilute the value of, or reflect negatively on Sanitas' Products or trademarks;
- (vii) misappropriate any of trademarks for use as a domain name;
- (viii) alter, obscure or remove any trademarks or trademark or copyright notices or any other proprietary rights notices placed on Products, marketing materials or other materials that Sanitas' may provide; or
- (ix) place Sanitas' name or trademarks: (a) on, or directly or indirectly in connection with, any facility that is not Customer's principal place of business without prior, written consent, which may be withheld in Sanitas' sole and absolute discretion; or (b) in, or directly or indirectly as part of, Customer's trade, corporate or firm name or style or any of its divisions, subsidiaries or affiliates, if any.

3.4. Confidentiality. All confidential and proprietary information including, without limitation, business plans, business methodologies, strategies, technology, specifications, results of operation, development plans, partners, management, suppliers, billing records, Products or services, prospects and information about this Agreement received by Customer from Sanitas shall constitute Sanitas' confidential information (the "Confidential Information"). Customer shall protect the Confidential Information as follows:

- (i) restrict disclosure of the Confidential Information received by it solely to those of its directors, officers, employees, consultants, advisers, attorneys, agents or other representatives (collectively, the "Representatives") with a need to know such Confidential Information in connection with the use or sale of Product and shall not disclose Confidential Information, either implicitly or explicitly, to any other third party without the express prior written consent of Sanitas.
- (ii) advise its Representatives who receive such Confidential information of the obligations of confidentiality under this Agreement and instruct such Representatives to abide by the provisions of this Agreement regarding confidentiality.
- (iii) hold such Confidential Information in strict confidence.
- (iv) be responsible for any breach of this Agreement by any of its Representatives who receive such Confidential Information.

3.5. Injunctive Relief. Each party acknowledges that a violation of Section 3 would cause immediate and irreparable harm for which money damages would be inadequate. Therefore, Sanitas will be entitled to injunctive relief for Customer's breach or anticipated breach of this Section 3 without proof of actual damages and without the posting of bond or other security. Such remedy shall not be deemed to be the exclusive remedy for such violation, but shall be in addition to all other remedies available at law or in equity.

4. TERM AND TERMINATION

This Agreement shall commence on the date of Customer Account Acceptance and continue in effect until terminated as provided herein. For avoidance of doubt, suspension or termination does not relieve Customer of its responsibility to pay for Products it has ordered or fulfill its other obligations to Sanitas. Upon any termination of this Agreement, all rights and obligations of the parties shall cease, except that (a) all obligations that accrued prior to the effective date of termination (including without limitation, all payment obligations) and all remedies for breach of this Agreement shall survive, and (b) the provisions of Sections 2, 3, 4, 5 and 6, shall survive.

5. DISCLAIMER; WARRANTY

5.1. DISCLAIMER. SANITAS DOES NOT MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, COMPATIBILITY, SECURITY, ACCURACY, USEFULNESS WITH RESPECT TO SANITAS' PRODUCTS OR INFORMATION ABOUT THE PRODUCTS, OR AVAILABILITY OF SANITAS PRODUCTS. CUSTOMER ACKNOWLEDGES THAT IT HAS NO EXPECTATION OF ANY PARTICULAR QUANTITIES OF PRODUCT AVAILABILITY. ALL PRODUCTS ORDERS ARE SUBJECT TO ACCEPTANCE BY SANITAS. CUSTOMER ACKNOWLEDGES AND AGREES THAT THE RELATIONSHIP CREATED BY THIS AGREEMENT IS NON-EXCLUSIVE.

5.2. LIMITATION OF LIABILITY.
